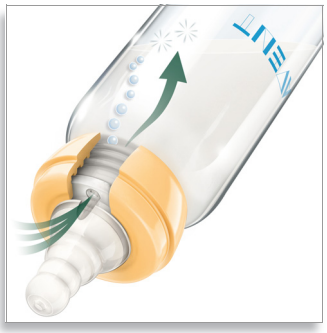
AVENT
sense and simplicity

Feeding bottle
8oz/240ml Fast flow nipple

SCF994/03

Highlights

Antic-colic system (straight)



Anti-colic valves flex to allow air into the bottle and help prevent gas from going into the baby's tummy, hence reduces colic.

Soft, ribbed silicone teat

Soft, ribbed silicone teat is easy for baby's mouth to seal and latch on the teat. With this, the baby will feel more comfortable drinking from the teat.

Dormal cap

Dormal cap seals teat for secure and leak-free storage and travel.

Quality of Philips AVENT

All made with adherence to the quality of Philips AVENT

Clean, Hygienic and Safe Glass

Made from borosilicate glass, this bottle is hygienic and easy to clean. Due to bottle's heat resistant feature, Moms can use boiling water or Philips Avnet sterilizer to sterilize it . assuring you a safe feeding experience.

0% BPA

This glass milk bottle contains 0% BPA.
